

Report of Stores Suspected of Selling Tobacco to Minors

The Ingham County Health Department in cooperation with the Ingham County Sheriff Department and local Law Enforcement Agencies are working to keep tobacco from addicting children under the age of 18. Enforcement agents conduct vendor checks on a regular basis to every store, every year. However, your experience may provide insight into stores that sell tobacco to a minor when we are not present. The information contained below is not a formal accusation; however, your report will trigger a check by a tobacco compliance officer.

Store Name: _____

City: _____

Store Address: _____

Nearest Major Cross Streets: _____

Describe any employees that participated in sales to a minor:

Did you witness a youth buying tobacco products? **YES - NO - NOT SURE**

Is this youth available to conduct a tobacco compliance check with an enforcement officer? **YES - NO - NOT SURE**

Provide a brief explanation as to why you feel you should make this report. Please include details about anything you saw that made you suspicious such as day and time and number of employees working.

If you would like a report back regarding the outcome of our check, please provide your contact information. This information will not be shared with the store owner or employees.
